
Where on Earth are we going?

And what can we
do about it?

These are two of the questions that are at
the heart of the **Awakening the Dreamer,
Changing the Dream Symposium**

The Symposium is a profound inquiry into a
bold vision: to bring forth an **environmentally
sustainable, spiritually fulfilling,** and **socially just**
human presence on Earth.

If you are ready to explore what this vision
means for you, and the opportunity to create
an inspiring future, we invite you to attend.

*"I was not expecting the effect this symposium had on me.
I expected to be engaged and interested, but today I feel as if
my life is on a different course than it was on Saturday.
This affected me profoundly."*
